

BUILDING POWER FOR GENDER & RACIAL JUSTICE IN PITTSBURGH

**Saturday, March 21, 2026
11am-4pm
2017 Cathedral of Learning,
University of Pittsburgh**

To honor Women's History Month and the UN International Day for the Elimination of Racial Discrimination, this event recognizes the important role of women's struggles for human rights to advance community well-being in our region. It features community leaders whose work addresses the urgent threats we face today, and highlights initiatives of community and City leaders to remedy gendered and racial inequities and strengthen human rights protections for everyone in our community—particularly children and other vulnerable residents.

Light refreshments will be provided!
